From the West:

Past the A27 traffic lights at Lyons Farm Retail Park (B&Q etc), keep slow and after only 180m take the next turning left in to Lambleys Lane. Continue slowly, past houses, 600m up farm road.

GATES If the main farm gate is locked, ring the course tutor or failing that the Managing Trustee on mobile 07771 897613. There is another gate at the top. Please close this after you go through to prevent animals escaping down to the A27.

Otherwise, if on a course then when you have come in the top gate please turn left and park 80 yards up to your left where signed. Walk back the way you came to the hilltop barns then go left (NE) 250m down a farm track to Downs Barn.

From the East:

Continue to the traffic lights at Lyons Farm Retail Park, there turn right around on to the A27 going back east. Follow directions as above.

Please share cars if possible, to help the environment and because parking spaces are limited. Please do not park in front of Lambleys Barn (Stable Cross Barn) where the horse livery users park.
